ABOUT US

Dear Friends,

Like many great ideas, Play With A Legend came about almost by accident.

Tasked with thinking up the perfect stag activity for my best friend, I turned to former Arsenal footballer Perry Groves, who I knew in my role as a sports television producer and asked if he and another childhood hero, Nigel Winterburn would come and play football as part of the ultimate surprise for my mate.

A wonderful afternoon was had and before long there were countless requests to arrange similar events all around the country. Then, in the Spring of 2014 the company was formally set up, with Perry agreeing to be my co-founder, with the mission of bringing former professional players and fans closer together.

There are few corners of the country we haven't visited along the way in our journey to date, having now worked with over 150 former footballers, although much of what we now do has developed in areas very different to stag events!

Today, we do everything from arranging corporate football tournaments at Premier League Stadiums at the end of the season, to hosting VIP delegations from across the world seeking a greater insight into football in the UK. Moreover, we've become the go to destination for brands looking to work with former players on commercial opportunities. The diversity in our offerings is always growing, and you'll even see on pages 18-21 that we also have PWAL Cricket. Whatever the event or project, it's fair to say that at the centre of what we do, will always be the legends.

I hope this brochure helps bring the company to life and whether you're hoping to give your mate the ultimate send off before his big day, take on Play With A Legend FC (our team of football legends), arrange a speaker for an upcoming dinner or looking for an ambassador to enhance your brand, then we'd be delighted to hear from you.

Welcome to the home of former football players.

Best Wishes,

Josh Landy & Perry Groves

OUR LEGENDS

Play With A Legend works with over 150 former professional footballers, based not only across the UK but all over Europe and we have connections across the world.

The legends we work with have represented a huge number of clubs and countries, ranging from local cult heroes to international stars. You can find a full list of who we work with on our website but you'll no doubt recognise many of the stars we work with in the pictures on this page!

STAG AND BIRTHDAYS

HOW IT ALL BEGAN

Play With A Legend began when co-founder Josh was arranging a stag celebration for his best mate and several years later, it's fair to say we're never happier than when we're organising the perfect pre-wedding send off for a football fan.

Being with your closest mates and a childhood hero for a game of football and some beers afterwards – what more could you possibly ask for?

WHAT'S INCLUDED?

- The Legend of course!
- Venue for your match including on site bar!
- Event Organiser from Play With A Legend.
- A fully qualified referee.
- Full kit hire (shorts, socks, shirts and shin-pads)
- Match Balls.
- Bottled water.
- Gift for the stag or birthday boy!

HOW MANY PEOPLE DO I NEED?

We'll work with your group size and arrange a game that suits you, whether it is 5, 7 or 11 a-side - so anywhere from nine people upwards works for us. It's the same price regardless of group size.

HOW LONG ARE THE EVENTS AND WHAT'S THE FORMAT?

Our events last approximately three hours. On arrival you'll get changed into your kit, enjoy a warm up with the legend, play either 60 minutes for 5/7 a side or 90 minutes for 11 a side, before showering and heading to the bar to hear some tales from the dressing room over a few well earned beers.

WHEN DO YOU HOLD EVENTS?

Most of our stag and birthday events take place on Friday, Saturday or Sunday and we tend to start at 10am or 2pm, but we'll work with you if this isn't possible. We hold events all year round.

STAG AND BIRTHDAYS

WHAT CITIES DO YOU OPERATE IN?

We hold events in: Brighton, Bournemouth, Southampton, London, Norwich, Birmingham, Bristol, Sheffield, Leeds, Liverpool, Manchester, York, Nottingham, Newcastle and Edinburgh.

If you're hoping for an event in a city not on that list let us know and we'll see what we can do.

WHERE DO YOU HOLD THE EVENTS?

We have favoured venues in all the cities we operate in, which all have high quality artificial pitches and bars on site, meaning that even if the weather is poor, the game goes on regardless and it's not far for the post match beer! If you need the exact location of the venue to work out the rest of your weekend plans, just ask our team.

CAN I HAVE MY STAG OR BIRTHDAY EVENT AT A PROFESSIONAL STADIUM?

Yes, at the end of the football season (May/June) some stadiums are available at varying costs. Get in touch and we can give you a quote.

CAN WE ARRANGE OUR OWN KIT TO KEEP?

Of course, many of our groups do this! We can organise bespoke kit for you to keep after your event and get signed by the legend. For each set of shirt, socks and shorts with your names and numbers on the back, it'll be £30pp + VAT.

HOW MUCH DOES IT ALL COST?

Prices vary depending on the legend involved, but our events start from as little as £1250 + VAT for a group event. For an exact quote just get in touch!

STAG AND BIRTHDAYS

SIMPLY AWESOME!!!

We came down to London for my mate Dan's stag do! PWAL made everything really easy before and during the event, it meant we could just turn up and enjoy the day. We surprised the stag with this and Darren Anderton was really welcoming and easy to chat to...and still has some quality shots in his locker. It was an amazing chance to ask all the questions you wanted to ask when you were a kid or save a peno against your hero! It was truly a memorable day and it worth every penny...i can't wait to do this again. ..if you have any doubts...forget them, do it, you wont regret it!

ABSOLUTELY BRILLIANT

We had a fantastic day organised by the PWAL team. Chris Sutton and John Salako were absolutely brilliant, really into the spirit of the day, having a laugh with everyone while playing and great value in the pub afterwards. Couldn't have asked for better and would highly recommend Play With A Legend.

TRULY MEMORABLE DAY

The birthday surprise for my husband with Matt Le Tissier was amazing, well organised and a truly memorable day enjoyed by all, they are still buzzing from the experience. Josh and the team were fantastic from the start and very patient to my needs, their prompt replies to minor questions was really appreciated! Fully recommend Play With a Legend, thanks guys

CRYSTAL PALACE, 2017

Everything about the day was so well organised, I couldn't fault the company! For me, yes, the experience was great playing with a childhood hero and playing on the pitch at the stadium I go to every other week, but more so it was the little touches that made the day so special - having the club's staff there to welcome you, getting to walk into the changing room to see your kit hanging ready on the wall and standing in the tunnel lined up against the opposition. The sun was shining in SE25 and John and Clinton looked genuinely pleased to be there and spoke so highly of the club when we had beers after, which gave you a certain sense of pride. Would highly recommend anyone to take part. The memories from the day will stay with me every time I go to the ground.

SOUTHAMPTON, 2016 AND 2017

Awesome experience! To play on the same pitch with players I idolised as a kid was a boyhood dream come true. Cannot recommend it enough as the whole experience is superbly organised from when you arrive, till when you leave the bar post match. Many thanks to Josh and his team for the experience, which was superb throughout. If you want to do this and you have doubts like I did, then believe me just get it booked whilst it's available and you'll have no regrets, many thanks.
